26 April 2016

Dear Mr Skidmore

East Riding Local Plan Allocations Document

Thank you for your letter of 20 April 2016 asking for an updated indication of the likely timescale for my report.

At present, I am not in a position to be able to give you a specific date for the receipt of my report for fact checking. However, I can say that the examination is close to completion, and I anticipate issuing my report by around the end of May.

Please rest assured that I am doing all I can to ensure that my report is issued as soon as possible. I will write to you again to provide a firmer date once I can be more certain.

I ask that this letter be placed on the examination website with some text drawing attention to it, in the established fashion.

Yours sincerely

Simon Berkeley

Planning Inspector
